MEMORANDUM FOR: Mr. Houston

SUBJECT : Question of [redacted] Testifying 25X1A9A  
in Alien Property Hearing

25X1A9A 1. I attach a copy of two memorandums for the record concerning the problems which arise from Alien Property's desire to have [redacted] testify in an administrative hearing involving a case under the Trading With The Enemy Act.

2. You will note that paragraph 1(e) of the memorandum of 17 September indicates that I am to ask you to call Deputy Attorney General William P. Rogers. Several of the other actions to be taken under that memorandum have not been completed; hence it is too early to go to Mr. Rogers. I will contact you later this week on this.
